

260 Hawant Rd
Drayton
Perthshire.

30/11/42.

Dear Claire & Leslie,

I am hoping in this age of almost non-existent pastries, that nobody else has given a thought to providing a set of Pastry forks for the happy days to come. If they have so far a vision just return these and I will exchange them for something different.

Bon voyage to you both on the somewhat unknown sea of matrimony. Happy landings and safe harbours, is the sincere wish of your loving sister
Blanche.
