

Sweetheart mine,

I'm afraid I was too tired last evening to sit down and write anything worth reading, so I'm just going to scribble a few words in the office just to say 'hello darling' and "Thank you for all the lovely letters I am receiving.

I take it that Witsun is definitely off. - so I am keeping my fingers crossed and hoping you'll manage some leave at the end of a month. Gee!! it seems years & years away!!

I hope that Chappie stooping off and leaving you holding the baby is not a sign that all people at your barracks are going to get the same treatment. - Marching orders!!
