Dear Les

so pleased to get your letter  
also that you are settled on  
a boat at last, I hope it is  
not going over seas

Blanch tells me she is  
writing to you about the  
borrowing of money to buy  
a house, I gave her your  
address at Littleampton but  
I suppose it will be sent  
on to you,

I had a card from Gladys  
last week saying Charlie  
would be over here in a

months time, he will let  
us know when he gets here  
I hope you all will be  
able to meet him

I am sorry you never got  
that shirt, you might get it  
I sent Edger some hair cream  
some week ago, I think  
it was a month before he  
received it, he didnt know  
where it had been, I wish  
we hadnt do give up coupons  
for shirts I would try and  
get some blue ones,

the next time you write  
put your address in block  
letter, I cant understand  
your writing I am chancing  
this hoping the G.P.O will
