Dear Les

so pleased to get your letter and to hear you are doing so well Clair told us you were expecting promotion I think you have done well Eric said it took him as many years as it has taken you months to get to that position

We are all keeping fit and well, I had a letter from Edger this morning he is quite well

Muriel had a fright a few nights back a large piece of shrapnel came through the ~~ceiling~~ conservatory they thought it was a bomb the glass made such a noise

I am sending you this tobacco for your birthday I hope you get it by the 18th with my love and best wishes for many happy returns also hoping you won't spend another in the Navy

Joyce is a fire woman now she has to do one night a week duty up at the fire station she doesn't mind it she isn't nervous in a raid we had a had one last Saturday the plane coming down was quite near and gun going was a terrible noise she slept all through

it, I wish I could

I'm no more to write about now
all send their love so

cherio God Bless you dear
