Sweetheart mine

Heavenly weekend
angel! But more of that this
evening when I shall be able to
write at leisure.

I just wanted to
tell you that I rang the Kentish
Mercury today & they gave me
the Blackheath area estate agents &
they have offered us 3 flatlets
in Wellington Mansions, Charlton.
(one at 17/- and two at 10/- a wk).
They had another large flat on
Blackheath Hill (22/- a wk) and
a large room in the same house
at 16/6.

What say you sweetheart?
Shall we view the Charlton ones
on Saturday if you are home?

I said that I wd ring up
again on Friday to find out
about the keys. & then view them
on Sat: (Its a turning out of
Church lane so it must be a
few minutes from Charlton Station
eh pet?). Keep your fingers
crossed, and I hope you will
be coming with me.

Must fly now to catch
a post. Let me know what you
think about it, all please angel.

Love tonight

All my love,

Clare
