

The Office
Wednesday.

Dad

Had your letter
This morning aged and am
once more on top of my form.
Unfortunately time is short
at the moment but I'll write
something long & loving tonight.
Anyway we may be getting
together by 'phone in a few
hours' time.

Gotta send my hubby
some tobacco, that's why
I'm writing now.

Isn't this hectic notebook?
All I could get. So we'll
have to go all skye-blue
in our living for a few weeks.

lots to talk about tonight
angel, but I won't stop
now.

Sleep tight angel.

lots of love & kisses,

Love
