Having a wonderful holiday
so peaceful. Perhaps you are
away by now. Much thinking
of lambs who have been separated
from their mothers & are to be
sold on Saturday. It will be
the first sheep market I have
been to. We have 2 Galia
prisoners working here today.
Weather not so good at the
moment. Went into Dunsfries
yesterday for the weekly shopping.
Shall be coming back.
Much love from Joan

Maxwelton House, Moniaive.
