

6th Sept?

H.T.S. 764

Wed.

My Darling,

It's the old old story - I've
search high & low for accommodation over
the week-end & each time it's the
legend "full up". But, supposing there
is week-end leave, we will not be
denied our meeting, brief as it may be,
because I shall come down to London.
So there. I shall phone you tomorrow
& tell you all this, but in case there's
a row on the line, or in case you've
picked that three minute period to
visit the heads, the above will tell
you all you want to know & I'll
send a telegram to SSA, if possible,
letting you know final arrangements.
If I come I shall be down on Sat -

early or late depending on train caught -
& will have to return Sunday night -
boo-hoo!

I've a portion of work to do tonight,
angel mine, & thus there is little time
for pleasant dallying with pen & paper
- you know how it is - but I wanted
to give you the latest guff on the
week-end situation. I don't think,
somehow, you've missed much by not
travelling up this way - it's one helluva
journey & your troubles are only half
over when you reach G - . In
thinking it over I feel a bit for
heel ~~to~~ ever suggesting that you
make the trip just for a night or two.
But it would be heaven if I could
come down & I hope with all my
heart I get the leave. Cross your
fingers, darling.

Your own lover,
L.S.
