My dear Rose - I hope all is
well with you & des. Ben
enjoying life to the full. Johnny
seems very fit apart from his
leg - it is wonderful to be
together all the time. He
was taken to Chester hospital
& I saw him there on the Sunday
then he joined me in Chester
on Monday & we stayed there
a couple of days before coming
here. The weather is quite good
& yesterday afternoon we sat
on the beach. May come down
to London for the last week
of his leave. All the best
Mavis Joanna Oswald.
