NOTE 1. A person to be proxy must be a British subject of full age and not subject to any legal incapacity. If the person appointed proxy is not the wife, husband, parent, grandparent, brother or sister of the elector, the person cannot vote as proxy for more than two electors at an election in any constituency.

2. As a general rule a proxy must vote in person at the polling station for the qualifying address set out above, but if a proxy for a **service voter** has a vote in his own right in the same constituency and applies to vote by post in his own right, he may also apply to vote by post as proxy for the service voter.
