

Wells 110

Wed.

Dearest,

I have no news to  
impart but - I would like  
to record in black & blue  
that I love you madly,  
blindly, hopelessly, emphatically,  
undeniably & without question  
of doubt. You have me  
body & soul intact & ipso  
facto. I have nothing more  
to say - you leave me breathless.
