

POST CARD

Mrs Leslie Westaway

88A Bell Grove Road

Welling

Kent

This is my desperate season planting and
digging Clare but I'll answer properly as
soon as I'm home. I'm literally on the spot
to write my letter a day to Mike at the
moment. Give my regards to Liz - I've sent
his address on to Italy. Mike's on a Civic
Service - horribly active too - and thinks
he's been away. Bless you for your
letter - you tel: number is safely noted in
to diary. Of course I'm ring up if I go to
London. So thoughtful for friends that the
bombs have stopped. Tell Father, with my love
Peg
