Dearest Leslie,

Here's wishing
you a speedy return home.
I am enclosing the price of
a drink + cheer, in case you
are not home in time to have
one on us here. We shall all
be disappointed if you are
not here by the 25th.

Take care of yourself
Edgar is due for 12 mob! Sober
but doesn't like the idea much.
He's been a gentleman too long.
He won't like our food in Cilly
Street or what passes for food.
Most of the time we are hungry.
Charlie is spending his
Christmas with us but what we
are going to feed him on Gaud
only knows!! All my love,
(Happy Christmas) your devoted sister
Blanche.
